## Notice of Court Order

[Linked here](#) is a copy of the Notice of Court Order, *Washington v. Trump*, 2:25-cv-244-LK (W.D. Wash.). USAID is distributing this notice to USAID staff and implementing partners as required by the terms of the Order.

In summary, the Order arises from a legal challenge to Sections 3(e) and 3(g) of Executive Order 14,168, "Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government." Those sections directed agency heads to "take all necessary steps, as permitted by law, to end the Federal funding of gender ideology" (Section 3(e)) and "assess grant conditions and grantee preferences and ensure grant funds do not promote gender ideology" (Section 3(g)).

The Court enjoined all Defendants (except President Trump) and all their respective officers, agents, servants, employees, and attorneys, and any person in active concert or participation with them who received actual notice of the order "from enforcing Sections 3(e) or 3(g) of Executive Order 14,168 to condition or withhold federal funding based on the fact that a health care entity or health professional provides gender-affirming care within the Plaintiff States" of Washington, Oregon, Minnesota, and Colorado.

Any questions about the scope or effect of the Court's Order can be directed to the USAID Office of General Counsel or a cognizant Contracting/Agreement Officer, as appropriate.
