

Global Community Day: A Celebration of International Service

When: Saturday, September 13, 3–8pm (rain date: Sep. 20)

Where: Meridian Hill/Malcolm X Park, Washington, DC

RSVP here for weather & other updates: <https://tinyurl.com/4jfhvupt>

Sponsored by Advisory Neighborhood Commission 1B, in partnership with OneAID

Did you work for USAID or an implementing partner? Were you terminated from State, USIP, NDI, NED, IRI, VOA, etc.? Have you been impacted in other ways in the international development, humanitarian assistance, peacebuilding, and foreign affairs space?

Come together to celebrate our U.S. international assistance community, stand in solidarity, and create hope for the future. This is a day to recognize our neighbors for their valuable service on behalf of the American people, and to acknowledge the local economic and social impacts of job losses.

Spend the afternoon on picnic blankets with friends and family, visit tables with community resources, hear from guest speakers, and enjoy a local DJ set!
