

Hank Johnson passed away last weekend. (meaning May 9 or 10, 2026)

This is very short bio written by Hank Johnson for a men's group here.

"My career has been with AID where I worked in Yugoslavia, Bolivia, Dominican Republic, Jamaica, and Washington. My wife and I had four children all born abroad. After my retirement, my wife became a Foreign Service Officer, and we served in Mexico City and Rome. Before my wife passed, we lived in the Washington area in Carderock Springs, Spring Valley, and came to Somerset in 2015."

I'm not sure who to contact to get this news in the newsletter and on the UAA website. Hank lived at the Somerset apartments in Chevy Chase MD (where we live).

No word yet on any service.

Hank was a Usaid Agricultural Officer who served mostly in Latin America. He retired in 1990.

Hank Johnson of Somerset Apartments in Chevy Chase, Maryland, passed away during the May 9-10, 2026, weekend. He was a USAID Agricultural Officer and worked in Yugoslavia, Bolivia, Dominican Republic, Jamaica, and Washington. He and his wife had four children all born abroad. After his retirement in 1990 his wife became a Foreign Service Officer, and they served in Mexico City and Rome. Before his wife passed, they lived in the Washington area in Carderock Springs, Spring Valley, and moved to Somerset in 2015.
